ILLUMINATING EXCELLENCE

The Campaign for BC High

Dear Alumni,

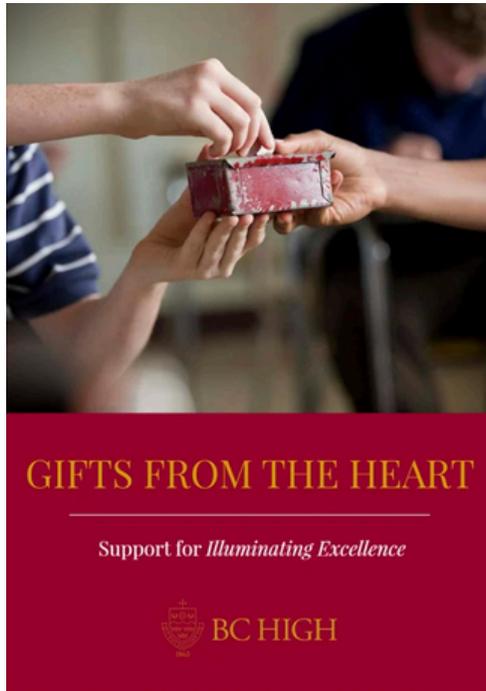

In October 2023, Boston College High School launched Illuminating Excellence, the most ambitious fundraising initiative in our history. This bold campaign will give BC High the resources needed to provide young men with a life-changing educational experience that fosters their intellectual, physical, and spiritual growth.

I'm pleased to share [this report](#) highlighting the amazing progress we've made toward achieving our \$125 million goal, including the stories of donors who have so powerfully affirmed our Jesuit, Catholic values through their generosity. More than 6,000 donors have already made our light radiate brightly by joining the campaign; we are deeply grateful for this extraordinary show of support.

In the spirit and tradition of the Mite Box, we continue to welcome gifts of all sizes to Illuminating Excellence, which will help our home on Morrissey Boulevard endure as a shining beacon of goodness, courage, and compassion.

With sincere gratitude,

Grace Cotter Regan P'12
President

Our BC High community gathered for a prayerful Ash Wednesday liturgy on March 5, marking the beginning of Lent. We were honored to have Archbishop Richard G. Henning preside over the Mass, reminding us of the call to reflection, renewal, and grace.

As we journey through Lent, we're pleased to offer the following resources to our community. We hope these prove to be an aid for deepened engagement in this holy season of reflection and renewal.

On Wednesday, March 19, generations of BC High pride were on full display. As grandfathers, fathers, and current students gathered in Cadigan Atrium for the annual **Legacy Breakfast**. The 120 Eagles of past and present in attendance were a testament to the strength of the BC High brotherhood.

The highlight of the morning was an insightful father-son panel moderated by Head of Day House **Mike Gardner**. Panelists **John '86** and **Michael Carroll '25**, **Dave '94** and **James Cronin '29** discussed the role BC High has played in their lives and the impact it has made forming them into Men for Others.
