BC High State Champions Head to Fenway

These Varsity athletes are feeling "so good, so good, so good!" This summer, the 2024 Division I Baseball, Rugby, and Track State Champions were celebrated by the Boston Red Sox at Fenway Park. Student athletes and coaches were joined by President **Grace Cotter Regan P'12** & **Principal Adam Lewis P'28, '30**. It was a wonderful night filled with a pre-game ceremony, an exciting match against the Seattle Mariners, and plenty of Fenway Franks.

Congratulations to all. We are so proud of you!

Tuesday Morning Adult Education

Every Tuesday, join us as we discuss Tomáš Halík's *The Afternoon of Christianity: The Courage to Change*, which provides a poignant reflection on Christianity's crisis of faith while offering a vision of the self-reflection, love, and growth necessary for the church to overcome and build a deeper and more mature faith. This reflection has begun and takes place every Tuesday from 8-9 a.m. via Zoom.

The 19th Annotation Ignatian Retreat: Where Is God in Your Life?

Beginning in September, join this online group setting to receive weekly prayer exercises. The group will share received graces each week and discuss prayer movements. Additionally, there will be an opportunity to check-in as needed at your convenience.

The 19th Annotation Ignatian Retreat will take place September to April on Tuesdays from 4-5 p.m.

Resources: *The Ignatian Adventure*, O'Brien, S.J.

Compassionate Communications and Empathy

This online series aims to keep us balanced during difficult conversations. Throughout the series, participants will negotiate and set boundaries, especially when dealing with someone else's anger. Additionally, the group will review deep-breathing techniques in order to listen meaningfully and develop understanding, as well as learn how to use the right speech to sustain meaningful relationships.

This series takes place every Wednesday from 4-5 p.m. via Zoom.

A Message from Senior Director of Alumni Engagement Chrissy Dahlheimer P'29

Greetings BC High Alumni! I am thrilled to join the BC High community as your Senior Director of Alumni Engagement. With over 20 years of experience in nonprofit fundraising, programming, and events, I am passionate about finding meaningful and impactful ways to connect you with BC High and each other.

As a parent of a rising 8th grader, Harry, who is wholeheartedly enjoying his Arrupe experience, I already feel deeply connected to this community. Now, I am honored to serve BC High in this new capacity.

In my most recent role at Endicott College, I learned that effective alumni programming is never one-size-fits-all. My goal at BC High is to create diverse opportunities that resonate with your unique interests and passions. I'm committed to making informed decisions that best serve you, and the best way to do that is by hearing from you directly.

I invite you to reach out at any time at cdahlheimer@bchigh.edu to share your BC High experience and explore how we can collaborate to strengthen our alumni community.
